At its meeting held on 31st December 1925 the Taluk Board has resolved that it is not possible to construct the Musafarkhana within Rs 1000/- and that therefore the estimate for Rs 2225/- furnished by the Executive Enginner has to be adopted. The Taluk Board now agrees to contribute Rs 1000/- instead of Rs 500/- as previously proposed. Besides this, the deposit made by th towns people is Rs 500/-. The Taluk Board suggests that the balance of Rs 725/- should be contributed by the District Board. Under the existing unsatisfactory financial condition-virtually the District Board is working with a deficit balance-- it is not possible to find funds for the purpose.
